

## Single Address Example 2

### Homeowner Hiring A Contractor To Perform The Work

#### Step 2 of 7:

If you are a Property Owner who is going to hire a contractor to do the work for you then:

- Answer **YES** to: Are you the Property Owner:
- Answer **YES** to: Are you hiring someone else to do the work for you:
- Click on "Next" to continue.

Step 2 of 7: Determine who is doing the Work

\* Are you the Property Owner: YES

\* Are you hiring someone else to do the work for you: YES

\* required items

Previous Next

#### Step 3 of 7:

- Your name and email address will carryover from the information you provided in Step 1 of 7.
- You must provide the name of the company, as well as their address and contact information, for the contractor you are hiring to do your work.
- It is not mandatory that you provide a fax number.
- You can either leave your email address in the Email Field, or replace it with another email. Utilities may use the email address you provide in this field to send you additional information.
- The Site Contact and mobile number could either be for yourself or someone from the company you have hired to work on your project. This could be another phone number that you can be reached at or the contractor should the utilities and/or their locators have questions.
- Click on "Next" to continue.

Step 3 of 7: Excavator Information

Your Information

Email Address: JANEDOE@KENTUCKY811.ORG

Person who can be contacted with questions regarding the project

Site Contact: JOE SMOTH Mobile: (502) 123 - 0000 x

\* required items

Previous Next

### Step 4 of 7:

Step 4 requires you to provide the address where you live and are having the work done. There are several fields in which you will have to provide information. Any that have a red \* are required fields.

- County that the address where you are digging is located.
- Place/City that the digsite address is in or near.
- Type of Place the digsite is in. City=Inside City Limits County=Outside the City Limits CDP=Census Designated Place
- Type in the address where the digging will take place.
- The nearest intersection/cross street is not mandatory, but it is helpful in making sure your address is found at the correct location. In the example below Scott Bolin Rd runs North and South, and intersects with KY RT 927, which runs East and West.
- Indicate what part of the property you want located. At least one choice must be made, and multiple choices are allowed too (e.g. Front of Lot and Rear of Lot, etc.)
- After you have filled in all of the fields, click on "Next" to continue.

**Step 4 of 7: Digsite Information**

✓ ✓ ✓ ✗ ● ● ●

**INFORMATION FOR THE SINGLE ADDRESS PROPERTY WHERE THE DIGGING WILL TAKE PLACE**

State: \* County: \* Place/City: \* Type of Place:  
KY MCCREARY Whitley City Community

Subdivision: Lot #:  
[ ] [ ]

\* Address: Dir Prefix: \* Street: Type: Dir Suffix:  
95 < All > SCOTT BOLIN RD < All >

Nearest intersection/cross street to the dig site address

Prefix: Near Street: Type: Suffix:  
< Blank > KY RT 927 [ ] < Blank >

\* Where on the address are you excavating? (At least one box must be checked)

Front of Lot  East Side of Lot  North Side of Lot  Entire Lot  
 Rear of Lot  West Side of Lot  South Side of Lot

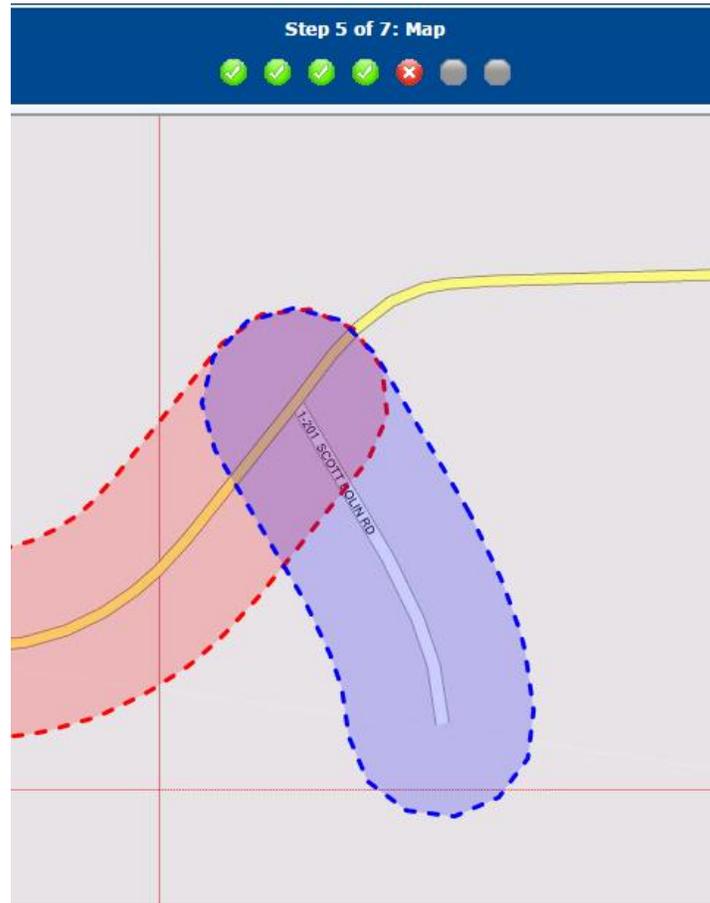

Click on Search to find your address and/or the nearest cross street

[ Search ]
